Classroom	Family Room	Boardroom	Courtroom	Upper Room	
					The <i>Christian Directory</i> by Richard Baxter applies the Scriptures to all areas of life. Baxter inspires readers to learn from time-tested relational models based on what Scripture teaches about God's 3 main covenantal institutions: the church, family, and government. (See, e.g., www.Covenant.net/3Institutions .) Ecclesiastic, familial, and governmental institutions form foundations for the classroom, family room, boardroom, courtroom, and upper room. Baxter's chapters emphasize cultivation of a mature faith while guiding discussions about the grandest vision for Christian culture and deepest sentiments of the Christian heart. Throughout the book, Baxter shows how God reflects His covenantal character. Dr. Timothy Keller calls this "the greatest manual on biblical counseling ever produced." Dr. J.I. Packer says that, "next to the Bible, this is the greatest Christian book ever written." The table of contents shows how the chapter titles relate to teachings about the classroom, family room, boardroom, courtroom, and upper room.

Classroom	Family Room	Boardroom	Courtroom	Upper Room
				<p>The Christian Directory by Richard Baxter applies the Scriptures to all areas of life. Baxter inspires readers to build time-tested models for church-based family, educational, economic, and judicial institutions in the classroom, family room, boardroom, courtroom, and upper room. Given how the sections on economics, ecclesiology, and politics (law) build upon opening chapters regarding cultivation of a mature faith, the book guides discussions about the grandest vision for Christian culture and deepest sentiments of the Christian heart. Throughout the book, Baxter shows how God reflects His covenantal character. Dr. Timothy Keller calls this "the greatest manual on biblical counseling ever produced." Dr. J.I. Packer says that, next to the Bible, this is the greatest Christian book ever written. The index of chapter titles below shows how the chapters relate to teachings about the classroom, family room, boardroom, courtroom, and upper room.
